Re: **Notice of *Ex Parte* Presentation**

WT Docket No. 16-319, *Bresnan Communications, LLC, Request for Waiver*

Dear Ms. Dortch:

On November 14, Bradley Humphreys of Jenner & Block LLP, counsel to Bresnan Communications, LLC (“Bresnan”); Russell Fox of Mintz Levin, counsel to T-Mobile; Christopher Wieczorek of T-Mobile and I spoke by telephone with the following members of the Wireless Telecommunications Bureau regarding the above-referenced matter:

- Suzanne Tetreault
- Roger Noel
- Richard Arsenault
- Amanda Huetinck
- Anna Gentry

We continued to review the commitments that T-Mobile is prepared to make to deliver and maintain competitive wireless services to consumers in Montana if the Commission grants the requested waiver of Section 27.14(g)(1) of the rules. We discussed the reports that T-Mobile would provide to the Commission at milestones during the build out period, T-Mobile’s potential obligation to continue to provide service after those performance obligations are satisfied, penalties that the Commission might impose on T-Mobile if we were unable to meet those obligations, and Tribal Lands where coverage may be provided.

Pursuant to Section 1.1206(b)(2) of the Commission’s rules, an electronic copy of this letter is being filed for inclusion in the above-referenced docket and copy of this letter has been sent to the members of the Commission’s staff noted above. Please direct any questions regarding this filing to the undersigned.

Respectfully submitted,

/s/ Steve B. Sharkey

Steve B. Sharkey
Vice President, Government Affairs
Technology and Engineering Policy
